Greg -

As we discussed, on behalf of Goose Club Farms, the purpose of this email is to identify that Goose Club Farms is withdrawing its petition for temporary transfer filed with the Division by letter dated April 14, 2010. This petition is being withdrawn because an agreement was not made between the Department of Water Resources and Goose Club Farms for the proposed transfer of up to 653 AF.

Please call if you have any questions or require additional information.

Thank You -

Darren
